Special Workers' Compensation
Appeals Panel Reversed

JUDGMENT

This case was heard upon the record on appeal from the Special Workers' Compensation Appeals Panel, pursuant to Tenn. Code Ann. § 50-6-25(e)(5)(B)(Supp. 1997), and in consideration thereof, this Court is of the opinion that the trial court's finding of an eighty-five (85) percent permanent partial disability to each of appellant's arms is supported by the preponderance of the evidence.

In accordance with the opinion filed herein, it is, therefore, ordered and adjudged that the judgment of the Panel is reversed, and the case is remanded to the trial court for execution of this Court's judgment and for the collection of costs.

Costs of this appeal will be taxed to the appellee, Saturn Corporation, for which execution will issue if necessary.
