RULE 16 CASE LITIGATION PLAN

On August 29, 2016, a Conference was conducted to plan the litigation of this case. Helpful to preparing the plan was that, in advance of the Conference, Counsel had conferred, and are informally exchanging information and documents on disputes revealed in the pleadings about the amounts, dates and computations of alleged nonpayment. Nevertheless, all Counsel agreed that proceeding with targeted discovery and preparation of summary judgments on interpretation and construction of the parties' contract and estoppel regarding termination should not be delayed and should proceed in accordance with the following:

1. By October 14, 2016, Plaintiff shall file its motion for summary judgment on the matters stated above.

2. The deadline for adding parties and amending pleadings is October 28, 2016.

3. Opposition to Plaintiff's summary judgment and cross summary judgment on the matters stated above shall be filed by November 16, 2016.

4. November 23, 2016 is the deadline for a reply.

5. December 5, 2016, is the surreply deadline.

Oral argument on summary judgment shall be conducted on December 12,
2016, beginning at 1:30 p.m.

In addition to the foregoing, written discovery shall proceed but depositions are held in abeyance. This approach shall be reviewed on September 22, 2016, at 1:00 p.m., in a telephone status conference and may be modified if necessary. The Docket Clerk will initiate the call. If a court reporter is retained to transcribe the conference, the reporter shall come to the Judge's office for the call.

It is so ORDERED.
