As an attorney admitted by comity in TN, by examination in AZ and later in WV (which at the time did not permit comity admission), I wholeheartedly endorse the proposed amendment.

ADM2022-00522

Dear Sir/Madam:

I am an inactive, retired attorney but still a member of the TBA. I plan on staying retired, so please take my comments as a disinterested person. With many people practicing law part-time and wanting to take cases across state borders, it makes sense to me that the current rule requiring a lawyer to maintain a full-time practice is too restrictive and the rule should be amended, and comity provided to those with a part-time practice as well.

Sincerely,

Edgar Rothschild
