Re: Tennessee Supreme Court Rule 25

To the Justices of the Tennessee Supreme Court:

I have reviewed the proposed amendment to Tennessee Supreme Court Rule 25 and wish to make the following comment.

Section 16 of the Rule regards subrogation. Section 6, Duties and Responsibilities of the Board, grants the Board authority to retain and compensate consultants, actuaries, agents, legal counsel, and other persons as necessary. Therefore, it is my thought that Section 16 regarding subrogation, should include the right to subrogate, not only for the reimbursement payment made, but also for any expenses incurred pursuant to Section 6, such that the Board may likewise recover any fees and expenses it incurred on behalf of the claimant.

Thank you for allowing the Bar to comment. I remain,

Very Truly Yours,

RANDALL J. FISHMAN

Dear Mr. Catalano:

I have an objection to the proposed changes to Tennessee Supreme Court Rule 25.

I object to the deletion of the words "at least a portion of" in Section 1.02 of the Rule.

Very truly yours,

William T. Wray, Jr.
