**ORDER**

Pursuant to Tennessee Supreme Court Rule 23, a certification order was filed in this Court on December 28, 2017, by the United States District Court for the Middle District of Tennessee. Briefs have now been filed pursuant to Section 7, and, upon consideration of the certification order and the briefs filed by the parties, this Court accepts certification of the following question of law:

Under Tennessee law, may an insurer in making an actual cash value payment withhold a portion of repair labor as depreciation when the policy (1) defines actual cash value as “the cost to replace damaged property with new property of similar quality and features reduced by the amount of depreciation applicable to the damaged property immediately prior to the loss,” or (2) states that “actual cash value includes a deduction for depreciation”?

Pursuant to Rule 23, Section 7(B) of the Supreme Court Rules, this Court desires to have oral argument by the parties. This case shall be set for hearing at the Court’s October 2018 session in Nashville.
