Let's start off easy...Who can issue citations?

TCA 7-63-101 – Traffic Citations in Lieu of Arrest

- (1) Law enforcement officer;
- (2) Member of the fire department or building department who is designated as a special police officer of the municipality; or
- (3) Transit inspector employed by a public transportation system or transit authority organized pursuant to chapter 56, part 1 of this title;

The officer or inspector may issue, in lieu of arresting the offender and having a warrant issued for the offense, a citation or complaint for such offense. A copy of such citation, which shall contain the offense charged and the time and place when such offender is to appear in court, shall be given to the offender.

Signature required

TCA 7-63-102 – Agreements to Appear; Signature

- In order to prevent the offender's arrest and the issuance of the warrant against the offender, the offender must sign an agreement to appear at the time and place indicated, and to waive the issuance and service of a warrant upon the offender.

What if they refuse to sign?

Then they get arrested

- TCA 7-63-104 - In the event the offender refuses to sign the agreement to appear in court and to waive the issuance and service upon the offender of a warrant, **then it shall be the duty of the officer, in whose presence the offense is committed, forthwith to place the offender under arrest and take the offender before the proper authority, procure a warrant, serve the warrant upon the offender and book the offender as in other cases of violations.** The authority issuing the warrant shall take bail from the accused for appearance in court for trial, or in lieu of bail, commit the offender to jail.

What about ordinance violations?

- TCA 7-63-201 - Notwithstanding § 7-63-101, any municipal, metropolitan or city government **may designate by ordinance or resolution certain municipal enforcement officers in the areas of sanitation, litter control, and animal control** who may not arrest or issue citations in lieu of arrests pursuant to part 1 of this chapter, but who, upon witnessing a violation of any ordinance, law or regulation of that municipal, metropolitan or city government, may issue an ordinance summons, leaving a copy with the offender, showing the offense charged and the time and place when such offender is to appear in court.

Red Light Cameras – TCA 55-8-198

Technically, these are “Unmanned Traffic Enforcement Cameras,” so the scope of violations include:

- Red Light violations
- Speeding violations
- Can be unmanned police vehicles with cameras in them

Municipal Technical Advisory Service

Unmanned Traffic Enforcement Cameras – TCA 55-8-198

- Non-moving violation – So no points on your license
- \$50 fine max.
- Only POST-certified or state commissioned law enforcement can review footage and issue tickets.
- Tickets mailed to vehicle's registered owner; owner has 30 days to pay once receive the notice of violation.
- Notice shall state

Unmanned Traffic Enforcement Cameras – TCA 55-8-198

If pay ticket within 30 days of receipt of notice, max fine of \$50

If not pay timely, “additional fees or court costs may be assessed.” – TCA 55-8-198(b)(4).

If you don't pay but show up to court to contest the charge and are found guilty, then additional fees or court costs may be assessed. – TCA 55-8-198(b)(5)

Who get the ticket?

- TCA 55-8-198(e)(1) says the registered owner is responsible for payment.
- However, owner is not liable if furnishes the court an affidavit stating the name and address of person or entity that leased, rented, or otherwise had care, custody or control of the motor vehicle at the time of the violation – TCA 55-8-198(e)(2).
- Exceptions if the car or plates were stolen. – TCA 55-8-198(e)(3) and (4).

Cameras without a City Police Department?

Can a city without a police department use an unmanned traffic enforcement camera?

Yes, only if the city enters into an agreement with a POST-Certified law enforcement entity to review the violations.

Municipal Technical Advisory Service

Credit Scores and Collections Agencies

Question: Can non-payment of unmanned traffic enforcement camera violations negatively impact your credit score?

Answer: Nope.

In fact, you cannot report anything involving an Unmanned Traffic Enforcement Camera to a credit bureau. See TCA 55-8-198(m)(2).

Municipal Technical Advisory Service
INSTITUTE for PUBLIC SERVICE

Credit Scores and Collections Agencies

- But can you send unpaid tickets for unmanned traffic violations to a collection agency?
- Probably – But your contract with any collection agency must be explicit that nothing ever gets reported to a credit bureau.
 - Get it in writing;
 - Get an indemnity provision in case the collection agency violates the rule and your city gets sued.

Bankruptcy filings by the Defendants

Oddly enough, it's somewhat backwards:

Chapter 7 – Normally completely discharged.

Chapter 13 – Normally not totally discharged, just a debt restructuring

When a Driver's license is suspended for unpaid traffic violations:

Chapter 13 - if a Driver files Chapter 13, and in the list of creditors includes the court where they may have an open Failure to Appear or defaulted Failure to Pay cases, the Department of Safety will use the bankruptcy filing as compliance for the case to assist with reinstatement of the license.

i.e., they get their license back.

Chapter 7 – Strictly for accident claims and judgments associated with accidents. Department of Safety does not use Chapter 7 filings for compliance until the case is discharged.

i.e, they do not get their license back.

Failure to Appear – Contempt of Court

Contempt of Court – TCA 55-10-207(c)(1) governs citations.

(c)(1) The traffic citation shall demand the person cited to appear in court at a stated time and it shall state the name and address of the person cited, the name of the issuing officer, and the offense charged. Unless the person cited requests an earlier date, the time specified on the traffic citation to appear shall be as fixed by the arresting officer. **The traffic citation shall give notice to the person cited that failure to appear as ordered is punishable as contempt of court.** The person cited shall signify the acceptance of the traffic citation and the agreement to appear in court as directed by signing the citation. Barrett v. Town of Nolensville (2011 case)

Barrett v. Town of Nolensville, 2011 WL 856923

- Nolensville's wanted to be very transparent with its court costs.

4. Citation Issuance fee \$5.00
5. Fee for entering costs on record \$3.00

Barrett v. Town of Nolensville (2011 case)

Two defendants: Mr. Barrett and Ms. Cheatham

Ms. Cheatham pled guilty before the court date.

She hoped to only pay the \$50 fine and avoid paying court costs (because she would not be coming to court).

However, she was told she must pay the court costs too pursuant to the city ordinance.

Assessed $\$50 + \$75 = \$125$

Municipal Technical Advisory Service

Barrett v. Town of Nolensville (2011 case)

Mr. Barrett showed up to court to contest the charge.

Mr. Barrett's counsel admitted to the violation in court.

Mr. Barrett assessed the same amount

$\$50 \text{ fine} + \$75 \text{ court costs} = \125

Both parties sought review of the municipal courts assessment of costs "claiming that the assessment of costs was a violation of Article VI, Section 14 of the Tennessee Constitution."

Municipal Technical Advisory Service

Barrett v. Town of Nolensville (2011 case)

Court of Appeals ruled the following:

- These court costs are remedial in nature, not punitive, so they are allowed.
- “We are of the opinion that these costs are assessed together by ordinance because they are present in every city court contested case.”
- Both defendants are guilty, but the court costs matter hinges on each individual’s actions.

Municipal Technical Advisory Service
INSTITUTE for PUBLIC SERVICE

Barrett v. Town of Nolensville (2011 case)

Ms. Cheatham admitted her violation in advance, prior to the hearing date.

The city knew it would not need to call the police officer to testify because she pled guilty earlier.

Therefore, the city would not incur the \$26.50 Police Officer Fee detailed in the court costs ordinance.

Ms. Cheatham’s Total Court Costs were reduced by \$26.50.

New costs amount = \$75 (court costs) - \$26.50 (police officer fee)

Municipal Technical Advisory Service
INSTITUTE for PUBLIC SERVICE

Barrett v. Town of Nolensville (2011 case)

Mr. Barrett admitted his violation, but not prior to the court hearing.

- City had no choice to but have the police officer present in the hearing.
- City incurred the \$26.50 police officer fee and therefore is supported in the full court costs assessment.

“The fact that he ultimately did not have to testify is irrelevant because Mr. Barrett's actions required the officer's presence in the event his testimony was needed. As we have already noted, the remaining items of court costs would occur in any case irrespective of whether or not the case was contested.”

Municipal Technical Advisory Service
INSTITUTE for PUBLIC SERVICE

Recommendation

Be mindful about itemizing or detailing each element of the court costs in the city ordinance.

Determine the financial needs of the court with your finance and court teams, but ultimately the city code should have the final dollar amount of the court costs.

Otherwise, if you add or discontinue a new item (court software, more staff, overtime fees) you have to amend your city ordinance or risk being challenged on it.

New Law! – TCA 55-8-207 – Traffic School

- TCA 55-8-207 (Public Chapter 710, effective July 1, 2022).

“A person who is charged with speeding and subsequently convicted and who successfully completes a department-approved defensive driving course within ninety (90) days of the conviction shall have the points charged to the person's driving record for the speeding conviction removed; provided, that five (5) points is the maximum number of points that may be removed from the person's driving record. This section may be applied to only one (1) speeding offense for each driving course completed and only once in a four-year period.”

New Law! – TCA 55-8-207 – How it works

- Only applies for speeding charges.
- Convicted in City Court, court clerk reports conviction to Safety
- Safety reviews case, if eligible, safety sends letter to driver.
- Driver is allowed to take a traffic school and have a max of 5 points removed. The conviction still stands on the record though.
- Driver must complete within 90 days of conviction.
- Driver submits completion certificate to Safety (not to you).
- Points are removed from person's record.
- Driver can do this once every 4 calendar years.

Sample Letter Driver's Receive

DLN: 130491383

JULIUS KELVIN CEASAR
3041 SIDCO DR
NASHVILLE TN 37204-4505

Dear JULIUS CEASAR

The Department of Safety utilizes a driver point system which is designed to identify and counsel those Tennessee drivers who receive convictions for traffic citations. A review of your driving record reveals that you have been convicted of a speeding violation that meets the criteria to allow you to complete and submit a four (4) hour traffic school course to remove any accumulated points from this conviction up to five points.

A traffic school course must be successfully completed within (90) ninety days from the date of this notice. This may be applied to only one speeding offense for each traffic school course completed and only once in a four-year period.

If you wish to attend a traffic school course, visit the website below to find a list of four (4) hour traffic school courses which have been approved by the Department. You should determine which of the courses is most convenient for you and contact that agency to schedule a date to attend the course. You should make contact as soon as possible, as some programs have waiting lists. It is your responsibility to make arrangements to attend the course and to provide a certificate of completion to this Department.

Access the website through the URL or scan the QR code:

www.tn.gov/safety/driver-services/-driver-education-courses-traffic-schools-.html

Note: Statute says attend traffic school within 90 days from conviction.

This letter says 90 days from receipt of this notice.

It's possible this could cause a discrepancy in the future. We will see.

City of La Vergne v. Gure – Slip Copy 2022 WL 3709387

City of La Vergne v. Gure

La Vergne Police cited driver for speeding.

La Vergne Police Officer testified of his own observations, radar data, and training to determine if someone is speeding.

Driver denied speeding and wanted to introduce his Google Maps data (he said his speedometer was not working correctly)

City of La Vergne v. Gure

City objected to Google Maps data as hearsay.

City court convicted the driver of speeding, driver appealed to Circuit Court.

Driver filed a motion to dismiss the city's amended complaint citing the speeding violation.

Circuit court denied the admissibility of the Google Maps data as hearsay, and also denied the driver's motion to dismiss.

City of La Vergne v. Gure

There was a whole bunch of procedural points, but ultimately the Court of Appeals upheld the trial court's conviction of the driver.

But the Court of Appeals determined that the data from Google Maps was not considered hearsay.

Hearsay discussion

TN Rule of Evidence 801 governs the definitions of hearsay.

- Hearsay – statement, other than one made by the declarant while testifying at trial or hearing, offered in evidence to prove the truth of the matter asserted.
- Declarant – Person who makes a statement
- Statement – (1) oral or written assertion or (2) nonverbal conduct **of a person** if it is intended by the person as an assertion.

Municipal Technical Advisory Service
INSTITUTE for PUBLIC SERVICE

Court of Appeals held the following:

“Google Maps is not a person. So, it is not a ‘declarant.’

Google Maps functions as a tool ... the tool does not make a “statement.”

Thus, any readings from Google Maps showing speed is not a “statement.”

Find A Court Interpreter

This page contains a list of contact information for interpreters who have met the standards to be designated as certified or registered interpreters in Tennessee. A CERTIFIED interpreter has passed all interpreter tests. A REGISTERED interpreter has not completed the final test. The purpose of the roster is to help courts and other law-related agencies find credentialed court interpreters on a freelance basis. The fact that an interpreter is listed on the roster does not indicate an employment relationship with the Tennessee Supreme Court or any circuit, chancery, general sessions, juvenile or municipal court. Court interpreters are not employees of the State of Tennessee.

Locating an interpreter is easy to do. You can find an interpreter by the language desired; by a location (city or availability) or by level of certification (certified/registered). You can also use a combination of these options. For example:

- If you would like to locate a Certified Spanish interpreter, simply select 'Spanish' as the language and select 'Certified' as the credential. Press the 'Apply' button and a list of certified interpreters will be provided in city order.
- If you would like to locate an Arabic Interpreter located in Middle TN, select 'Arabic' as the language and select 'Middle TN' for availability. Press the 'Apply' button and a list of Arabic interpreters in Middle TN will be provided.
- If you would like a list of all interpreters in Memphis, enter 'Memphis' as the city and press the 'Apply' button.

[Click here for information about interpreters for the Deaf and Hard of Hearing](#)

If there are no interpreters listed for your chosen language, please contact the Administrative Office of the Courts at 615-741-2687 for assistance.

Quality interpretation and translation are more than matters of compliance. Discount services often end up costing organizations more – in time, reputation, bids lost, and lawsuits – because the interpreters, translators, or agencies providing services at such a low cost often don't have the training and experience required to provide high-quality services. Translators are often hired off-shore to be more cost effective for agencies.

GS court – “Passing the Case for Good Behavior”

Judge heard several cases. Some Class C Misdemeanor traffic and some Class B misdemeanors (No Driver's License/Restricted/Suspended and Reckless Driving).

Judge decided the “pass the case for good behavior” if stay out of trouble for the next three months (90 days) and complete traffic school if ordered.

Reset the defendant's court appearance for three months out.

On Day 89, court clerk checked defendant's file, and if defendant had paid all court costs/traffic school fees, and did not commit any other offenses, judge entered a dismissal on Day 90.

If defendant committed another offense or did not pay all required costs/fees, judge entered a guilty plea for the original offense.
