**IN RE: ORDER ESTABLISHING
TENNESSEE SUPREME COURT RULE 13A,
ELECTRONIC INDIGENT FEE CLAIM SUBMISSION**

No. M2010-00520-SC-RL2-RL - Filed: May 10, 2012

ORDER

On March 8, 2010, the Court filed an order adopting Rule 13A on a provisional basis from May 1, 2010 through August 1, 2011. Rule 13A authorized the Administrative Office of the Courts to establish a system for the electronic submission of certain fee claims associated with the representation of indigent litigants and also authorized the Director of the Administrative Office of the Courts to establish a schedule of phased implementation of the system. The Administrative Office of the Courts has implemented the electronic-submission system authorized by the rule, and the system is being used on a routine basis.

The Court, with the assistance of the Administrative Office of the Courts, will undertake an internal review of the electronic-submission system, with a view toward adopting a permanent version of Rule 13A. It has come to the Court's attention, however, that through oversight no order was filed to extend the effective date of provisional Rule 13A. Accordingly, the Court hereby extends the effective date of provisional Rule 13A until further order of the Court.

The effective date of this order is August 1, 2011, *nunc pro tunc*.
