<p>Mediating the Myriad Forces in a Medical Malpractice Case - Wynne du Mariau Caffey-Knight, Elmore, Stone & Caffey, PLLC</p> <p>Medical malpractice cases present issues unique to personal injury and wrongful death claims. Multiple hurdles stem from the interplay of technical and sometimes complex medical questions, feelings of trust arising on both sides of the patient-provider relationship, the effect on a provider's professional relationships and credentialing, very stringent confinement to the elements of the claim and necessary expert testimony, insurance policy constraints, skilled insurance company claims representatives, and frequently, negotiations among multiple defendants. Prepared mediators can help guide the parties and claims representatives through these potential stumbling blocks to a satisfactory resolution.</p>	<p>General Mediation Issues</p>	<p>5:30 p.m.</p>	<p>6:30 p.m.</p>	<p>1 hour General Mediation Issues</p>
